

Report to Resident Council April 7, 2010

This year's Employee Christmas Gift Committee consists of: Kate Mondello, Eagles Preserve (Chair), Dede D'Arcy, Royal Bonnet, Lois Marino, Rosemont, Al Park, Turban, Alan Roberts, Eagles Preserve.

We have organized and assigned tasks to committee members. Karen Anderson and Karen Urbanowicz have been very helpful in providing information to the committee.

Tim Stephenson has asked us to delay the start of our campaign so we don't compete with the final push of the Pavilion fund raising drive. After seeing what the final push consists of, I feel we would have had a difficult time getting residents on board at this time.

Due to the financial stresses on residents this year, we are concerned with our ability to equal last year's donations. In order to make it easier for residents to budget and plan their giving, we would like to see at least a doubling of the current 159 residents who participate in the monthly billing of their Christmas gift amount. We would encourage residents (especially those leaving for the summer) to contact Accounting and set up a monthly bill of whatever amount they choose.

We expect to send a letter to residents in early May kicking off the 2010 Employee Christmas Gift campaign.
