

Larsen Pavilion Resident Council Meeting

Activity Room Third Floor
10:00 AM Thursday March 5, 2009

Linda Hicks chaired meeting and introduced everyone present.
There were 16 residents present.

Staff included:

Jan Stout, nurse manager 3rd floor and assistant director of nursing,
Abby Rosman, Resident and Family services coordinator,
Kelly Mongoven, social work intern at FSU who will graduate in May. This is a work
internship for her.
Bill Staples, Auxiliary representative.

Reports:

Jan Stout indicated the hiring of 6 new nurses and 4 new aides all of a very
professional quality. The 5 star rating makes it easier to hold staff once hired and the
applicant pool is good.

Abby Rosman discussed the use of the third floor annex for short stay admissions. She
discussed the main dining room which is available for lunch and dinner. Comments
were solicited and noted. An aide is assigned for transfer assistance. Both the food and
the wonderful view were noted.

The resident walking program was mentioned and several residents asked to be
included. The salon services were discussed and manicures are now available.

Linda Hicks announced some of the recent and upcoming activities. These included
Saint Patricks day, Birthday celebrations, SPOT presentations, fishing, afternoon teas
and more.

Bill Staples summarized the reports from the Shell Point Residents Council meeting of
March 4,2009.

Respectfully Submitted,

Bill Staples, President.
