SHERRY BROWN, DIRECTOR OF LONG TERM CARE

She commented that Chaplain Sue Stranahan felt it would be best to bring the vesper services to each floor because of the difficulty in transporting all residents to the first floor chapel.

No new information is available on future construction at this time due to the slowing economy.

An annual survey team will arrive soon to ask questions concerning care in the Pavilion. Please express your concerns about patient care to Sherry or Margie.

MARGIE PREGENT, DIRECTOR OF NURSING

Dining in the Activities room in the Annex is encouraged because of the added residents in the Pavilion.

The Pavilion has recently added 40 new residents, so 8 new nurses and 6 new CNA's have been employed.

Presently, our staff is having to work many extra hours.

We are trying to use our own employees rather than outside agencies to staff the Pavilion.

MARY FOUNTAIN, PAVILION AUXILIARY

Mary gave a report on the Shell Point Residents Council meeting of February 4th.

LINDA HICKS, ACTIVITIES STAFF

Linda mentioned upcoming activities such as the Valentine dinner, Birthday celebrations, and musical entertainment, provided by Jazz & Stuff.

Respectfully submitted,
