THIRD FLOOR, LARSEN PAVILION

THURSDAY, DECEMBER 1, 2011

The meeting was called to order at 10:00 a.m. by Kathy Fairbanks, Activities Leader. Twenty-one Pavilion residents attended the meeting. Staff members attending the meeting were: Kelsey Patrick, Activities Leader, Kathy Fairbanks, Activities Leader, Mary Fountain, Auxiliary President, Vivian Beauchamp, Director of Nursing, Allison Brown, Nurse Manager third floor, Sherry Brown, Pavilion Administrator, Sandy Browder, Nutrition Services Manager, and Ray Nandal, Auxiliary Wheelchair Committee.

Kathy introduced Vivian Beauchamp and then Vivian welcomed everyone to the meeting and talked about Thanksgiving and the anticipation of a very busy Christmas coming up. She reported that there is a lot of training taking place at the present time for new CNA's and nurses. Vivian introduced the new nurse manager for the third floor, Allison Brown. Allison worked at Shell Point from 1982-1985. She expressed delight at being back. Allison has a mom and an aunt living at Shell Point. She is excited to be involved with the residents on the third floor on a daily basis.

Allison introduced Sherry Brown after which Sherry gave thanks for a wonderful year. She reminded everyone how fast time goes by. She reminded everyone of the year 2000 and how we all thought the computers were going to crash but the year came and went and nothing happened. She thanked the Pavilion Auxiliary for the generous gift of the "Hear Here" sound system to enable residents to be able to hear and enjoy the programs and activities better.

Sandy Browder was introduced given opportunity to speak. She shared that the food service always wanted to be available to anyone at anytime. She mentioned the tree lighting dinner which would be held in the Schilling dining room soon. She mentioned that Chef Melly was overseeing a live nativity scene in the dining room in just one week. She also stated that Chef Melly would prepare a beautiful surf and turf dinner one week before the live nativity scene.

Mary Fountain, Pavilion Auxiliary President, announced that this would be her last meeting because Jerry Nanfelt would become the new Auxiliary President in January 2012. Mary introduced Ray Nandal who has been working on the Pavilion wheelchairs for 10 years now. Ray mentioned several things about taking care of wheelchairs and walkers for the Pavilion. As he talked about working in his shop, it was easy to see he takes

a lot of pride in his work always making sure each and every unit is in great working order before it is checked out.

Kathy then announced the monthly activity calendar after which she asked for questions. When there was no questions from the residents, the meeting was adjourned at 10:45 a.m. by Mary Binigar and seconded by Rosemary Zaccardo.

Respectively submitted,

Kathy Fairbanks
