

Submitted from Richard Maass

The following two proposals should be included under old business:

Notification to each Count Representative of the departure and vacancy of an apartment by ALF/Resident Support Services would be helpful. In the February 4, 2009 Residents' Council Meeting, Rita Southern indicated that notices of departure/vacancy would be sent. This procedure still has not been put into effect.

It is request that Shell Point assist in handling the problem of unused (noted by flat tires) bicycles in the garage areas. During the May 6, 2009 Residents' Council Meeting, this issue was brought to the attention of Council. The bicycle situation requires more than just a "bicycle roundup" and issuing new stickers, it requires the resident to be more responsible for their own bike.
